Tattoos, piercings and she just learned to twerk
She ain't gotta heart or an ass, just her brains, gotta ask, cause her ass on a
learning curve
And she love to earn the verb, I mean burn the work
That's only legal with a doctor's note
Real deep pockets like a doctor's clothes
Stay fitted like Diddy, hair back, try rock the boat
She, the first mate wanna rock the boat
She never forget to ride like a bicycle
She like planes, trains, chains with icicles
It goes her, blank blank, and rock & roll
She says I know, honey bunny, that's a funny thing
Watch her twerk for a goodfella
She money dance with the money team

Oh, no, no, oh, no, no
She's confident
Oh, no, no, oh, no, no
And I'm down with it
Oh, no, no, oh, no, no
She's confident
You could tell by the way she walks in the room

Am

She said it's her first time

I think she might of lied

Bm

Feels so good damn, and I don't know why

Am

I'm addicted, something like a headache

Bm

Got me twisted, but still I gotta have it

Still I gotta have it
But still I gotta have it
But still I gotta have it
But still I gotta have it
But still I gotta have it
Oh, no, no, oh, no, no
Oh, no, no, oh, no, no
Oh, no, no, oh, no, no
Oh, no, no, oh, no, no
But still I gotta have it
