[Verse]
```
 A               C#m/F#        F#m            A/D
Say you love me, as much as I love you, yeah
    D
Would you hurt me baby
      E
Could you do that to me, yeah
 A               C#m/F#
Would you lie to me baby?
 F#m                    A/D
â€˜Cause the truth hurts so much more
  D
Would you do the things that drive me crazy,
E
Leave my heart still at the door?
```

[Pre-chorus]
```
   A               C#m/F#
Oh I canâ€™t help it Iâ€™m just selfish
 F#m              A/D
Thereâ€™s no way that I could share you
D
That would break my heart to pieces
E
Honestly the truth is
```

[Chorus]
```
              A C#m/F#       F#m  A/D
If I could just die in your arms
   D
I wouldnâ€™t mind
       E
â€˜Cause everytime you touch me
        A C#m/F#       F#m  A/D
I just die in your arms
   D
Oh but it feels so right
    E
So baby baby baby please donâ€™t stop, girl
```

         D
â€˜Cause I love too hard
        E
Are there any rules, baby?
            A     C#m/F#
If this is a lesson
    F#m       A/D
Baby teach me to behave
       D
Just tell me what I gotta do
E
Just to stay right next to you

[Pre-chorus]
   A                 C#m/F#

Honestly the truth is

[Chorus]

â€˜Cause everytime you touch me
        A C#m/F#        F#m  A/D
I just die in your arms
