Would you say hi?

D4

Would you keep going?

C9 G

If I told your friend later

That you didn't mean nothing

C9

If you posted about it and

G

I didn't even comment

C9

If the songs weren't true

G

But you still feel something

Em9

D4

Would you still come looking for me?

[Refrão]

C9

G

Oh, don't go reaching out

C9

G

Cause you can't have everything

C9

G

Your head and your heart won't feel the same

Em9

D4

Even if it feels like it every time

Don't check on me

G

If we're not together

Ain t called you back
G
Cause I let it go
C9
I had to focus energy
G
And just let it flow
C9
And when we ride low
G
We were already gone
Em9 D4

It wouldn't mean anymore to me now

C9

I know it hurts you so bad

G

Just to see me happy

C9

That I finally moved on

G

And you thought it wouldn't happen

C9

At times I used to cry

G

Wouldn't know when I laughing

Em9

D4

But I acted like I didn't notice

Even if it feels like it every time

(No matter how hard you try)

C9

Don't check on me

G

If we're not together

C9

G

And it's probably for a reason

C9

G

Every heartbreak has its season
