

Get Used To It  
Justin Bieber

**F** **Am**  
Subjected to my system, reflecting on the days  
**G** **F**  
When we used to be just friends  
**Am**  
Protected both our interests, our trust was in a bank  
**G** **F**  
That s where our hearts were safe  
  
And then we got closer  
**Am** **G**  
Separated from my ex til we got closure  
**F**  
Ooh, on every visit, feelings got stronger  
**Am** **G**  
Now this is out of our hands, our love is here to stay  
  
**F**  
So get used to me checking in all day  
**Am** **G**  
Get used to me falling through just to see your face  
**F**  
There ain t a moment I won t need your brace  
**Am** **G**  
Get used to me touching you, get used to me loving you  
**F**  
Oh get used to it, hey  
**Am** **G**  
Oh get used to it, hey  
**F**  
Oh get used to it, oh  
**Am** **G** **F**  
Oh get used to me holding you, get used to me woeing you, oh get used to it  
  
**Am**  
And I ma April shower you, forever if I May  
**G** **F**  
Til your flowers bloom in June  
**Am**  
Make sure that our fireworks be our 4th of July for life  
**G** **F**  
As long as you stand right by my side  
**Am**  
Keep growing closer throughout October  
**G** **F**  
Ooh counting down, it s almost Christmas eve
