

## Hold Tight

Justin Bieber

Capo One

This song just uses the same progression over and over again. I think I might have placements wrong, so leave some corrections and help me. :) It s just a tad

bit harder with the half notes.

Chords are right I m 99.9% sure.

[Intro]

**Dm Em\* E\* F G\* Em\*** ( This is played throughout the whole song. \*= half notes)

[Verse 1]

**Dm Em\* E\***  
They hold on tight  
**F G\* Em\***  
Yeah, they hold on tight  
**Dm Em\* E\***  
Ooh, they hold on tight  
**F G\* Em\***  
Them lips won t let me go  
(Lips won t let me go, lips won t let me go, oh) (x2)  
  
(same progression for the rest of the song. Enjoy.)

**Dm Em\* E\***  
Don t let this go to your head  
**F G\* Em\***  
But you re the best, I ve ever had  
**Dm**  
Not to mention  
**Em\* E\***  
That thing is swollen  
**F G\* Em\***  
You got me oh so in a trance  
**Dm Em\* E\***  
Something like a ziploc, but a lip lock  
**F G\* Em\***  
Want you wrapped around me like a wrist watch  
**Dm Em\* E\***  
Oh, so hard walking out  
**F G\* Em\***  
Got me stuck like crazy glue, ooh  
**Dm Em\* E\***  
They hold on tight

**F** **G\* Em\***  
Yeah, they hold on tight  
**Dm** **Em\* E\***  
Ooh, they hold on tight  
**F** **G\* Em\***  
Them lips won t let me go  
(Lips won t let me go, lips won t let me go, oh) (x2)

[Verse 2]

Got me tossing, turning into bed  
Your place is where I d rather be instead  
You don t know your strength  
Missing you is like adrenaline  
Oh, when you got me in a gridlock  
What a great spot  
Yeah, that turned up kind of love and it just won t stop  
No, so hard walking out  
Got me stuck like crazy glue, ooh babe

[Chorus]

(same chords as in chorus)

They hold on tight  
Yeah, they hold on tight  
Ooh, they hold on tight  
Them lips won t let me go  
(Lips won t let me go, lips won t let me go, oh) (x2)

[Verse 3]

Holding back the faces I would make  
I m a fan and you re the rock star  
Making it hard on me  
Visualize a monster  
Cause you re too bad for me  
Shot that arrow, I m hit  
Need you right near me  
Trying to maintain, so don t mind if I turn away (no, no)  
I try to maintain, so don t mind if I turn away

[Chorus]

(same chords as in chorus)

They hold on tight  
Yeah, they hold on tight  
Ooh, they hold on tight  
Them lips won t let me go  
(Lips won t let me go, lips won t let me go, oh) (x2)
