

I Would

Justin Bieber

**A** **E**  
If I could take the pain away,

**F#m** **D**  
And put a smile on your face,

**A** **E**  
Baby, I would,

**F#m** **D**  
Baby, I would.

**A** **E**  
If I could make a better way,

**F#m** **D**  
So you could see a better day,

**A** **E**  
Baby, I would,

**F#m** **D**  
Baby, I would.

The same chord progression repeats throughout the entire song. Hope this helped!
