I know it s hard, but you know, you gotta live
Lets Go

Em **Am**
There s something different in your eyes baby
C **B7**
You can t seem to look into mine lately
Em **Am**
Tell me what is on your mind baby
C **B7**
Or I m gonna assume that something s wrong

(Chorus)

Em **Am**
I thought that you were different from the moment that we kissed
C **B7**
