F#m
It s like you re stuck on a treadmill

Running in the same place

D
You got your hazard lights on now
A
E
Hoping that somebody would slow down

Praying for a miracle

F#m
Who ll show you grace?
D
Had a couple dollars and a quarter tank of gas

A
With a long journey ahead

E
Seen a truck pull over
F#m
God sent an angel to help you out

D
He gave you direction

Showed you how to read a map

A
With a long journey ahead

E
Said it ain t over
F#m
Oh, even in the midst of doubt

D A
Life is worth living

D A
Life is worth living, so live another day

D
The meaning of forgiveness

E A D
People make mistakes, doesn t mean you have to give in
D E A
Life is worth living again

D Relationship on a ski slope **A**
E
 Avalanche comin down slow
F#m
 Do we have enough time to salvage this love?
D Feels like a blizzard in April **A**
E
 Cause my heart is just that cold

 Skating on thin ice
F#m
 But it s strong enough to hold us up
D
 Seen her scream and holler

 Put us both on blast
A
 Tearing each other down
E
 When I thought it was over
F#m
 God sent us an angel to help us out
D
 He gave us direction, showed us how to make it last
A
 For that long journey ahead
E
 Said it ain t ever over
F#m
 Oh, even in the midst of doubt

D **A**
 Life is worth living
D **A**
 Life is worth living, so live another day
D
 The meaning of forgiveness
E **A** **D**
 People make mistakes, doesn t mean you have to give in
