

Nothing Like Us
Justin Bieber

NO CAPO

[Verse 1]

Am **C**
Lately I've been thinkin', thinkin' bout what we had
F **G**
I know it was hard, it was all that we knew, yeah.
Am **C**
Have you been drinkin', to take all the pain away?
F **G**
I wish that I could give you what you, deserve
Am **C**
Cause nothing could ever, ever replace you
F **G**
Nothing can make me feel like you do.
Am **C**
You know there's no one, I can relate to
F **G**
And know we won't find a love that's so true.
C **G**
There's nothing like us, there's nothing like you and me
Am **F**
Together through the storm.
C **G**
There's nothing like us, there's nothing like you and me
Am **F**
Together.

[Verse 2]

Am **C**
I gave you everything, baby, everything I had to give
F **G**
Girl, why would you push me away?
Am **C**
Lost in confusion, like an illusion
F **G**
You know I'm used to making your day.
Am **C**
But that is the past now, we didn't last now
F **G**
Guess that this is meant to be.
Am **C**
Tell me was it worth it? We were so perfect
