**F** **C** **F**  
So crazy is this thing we call love  
**Am** **F**  
And now that we ve got it we just can t give up  
**F**  
I m reaching out for you  
**Am** **F** **G**  
Got me out here in the water And I  
**Am**  
I m overboard  
**F**  
And I need your love  
**C**  
Pull me up  
**G**  
I can t swim on my own  
**Am**  
It s too much  
**F** **C**  
Feels like I m drowning without your love  
**G**  
So throw yourself out to me  
**Am** **F**  
My lifesaver (Lifesaver, oh lifesaver)  
**C** **G**  
My lifesaver oh  
**Am** **F**  
I never understood you when you d say, whoa  
**C** **G**  
Wanted me to meet you halfway, whoa

**Am**

Felt like I was doing my part

**F**

You kept thinking you were coming up short

**C**

It s funny how things change cause now I see

Oh whoa

**G**

(Same as before)

So crazy is this thing we call love

And now that we ve got it we just can t give up

I m reaching out for you

Got me out here in the water

And I

I m overboard (overboard)

And I need your love

Pull me up

I can t swim on my own

It s too much (it s too much)

Feels like I m drowning (ohh)

Without your love

So throw yourself out to me

My lifesaver

**F**

It s supposed to be some give and take I know

**Am**

But you re only taking and not giving anymore

**C**

So what do I do

**G**

Cause I still love you

(I still love you baby)

**Am**

And you re the only one who can save me

I m overboard

And I need your love

Pull me up (pull me up)

I can t swim on my own

It s too much (it s too much)

Feels like I m drowning without your love

(I m drowning baby, I m drowning)

So throw yourself out to me

(I can t swim)

My lifesaver
