

**Running over ft Lil Dicky**  
**Justin Bieber**

From the beginning, it was ending  
Cmaj7 F  
We were emotionally pending  
Cmaj7 F  
Jeopardy, second guessing  
Cmaj7 Gm F  
Got all the questions to?my?answers

Keep runnin over?me with your lovin  
F Cmaj7  
I m only right?here for your consumption  
F Cmaj7  
Keep runnin over me with your lovin  
Gm F  
Lookin like it s turnin into something

Wednesday  
Cmaj7 F  
It feel like a Tuesday when you met me  
Cmaj7 F  
I remember it like it was yesterday  
Cmaj7 Gm  
You just said, Hello, I lost my sanity  
F F  
Thought you was lookin through me  
Cmaj7 F  
Then you made me laugh with personality  
Cmaj7 F  
When you said goodbye that was a tragedy  
Cmaj7 Gm  
Had to get a lesson in anatomy  
F  
You just ran me over  
F Cmaj7  
Look out, watch out, got me on the defense  
F Cmaj7  
Thought love at first sight was just a false pretense  
F Cmaj7  
Took my hat off, made me pledge allegiance  
Gm F  
Everything was in divine sequence

Keep runnin over me with your lovin  
I m only right here for your consumption  
Keep runnin over me with your lovin  
Lookin like it s turnin into something

Better that than turnin into nothing (Way-oh, way-oh)  
Ain t no interruptin this eruption (Way-oh, way-oh)

LD, uh  
I believe in love  
Girl, you got my hopes all up  
When I left you, when I met you  
I called mom and told her bout it  
I got all up on your IG and was scrollin down for hours  
I got back to 2015 and you started lookin young, so I stopped (Ooh)  
Post intercourse when you walk by (Ass, ass, ass)  
More buns than a Shop Rite (Woah)

And you wanna sleep over my crib?  
Let me go and get you a soft t-shirt, here (Soft tee)  
What are our kids gonna be like? (Hmm)

What is your skin routine like?  
Girl, just run around bed with me  
I ll flirt with you all cleverly  
I ll lock you down, Pat Beverley  
I ll kiss your breasts all tenderly, what s up? (Breast)

How you so hot and cute? (How?)

Gm

I wanna make a language up with you

F

You re already drivin me crazy, so just

[Chorus: Justin Bieber]
