

Somebody To Love
Justin Bieber

This chord progression goes through the whole song: **Gm Bb F**

Oh, oh

For you I d write a symphony
I d tell the violin
It s time to sink or swim
Watchn it play for yaaaa

For you I d be
Whoaaa
But in a thousand miles just get you where you are
Step to the beat of my heart

I don t need a whole lot
But for you I need I
I d rather give you the world
Or we can share mine

I know I won t be the first one
Giving you all this attention
But baby listen,

CHORUS:

I just need somebody to love
I-I don t need too much
Just need Somebody to love.
Somebody to love
I don t need nothing else,
I promise girl, I swear
I just need somebody to love

I need somebody I-I need somebody
I need somebody I-I need somebody

Everyday I bring the sun around,
I sleep away the clouds
Smile for me (Smile for me)

I would take every second, every single time
Spend it like my last dime
Step to the beat of my heart

I don t need a whole lot

But for you I need I
I d rather give you the world
Or we can share mine

I know I won t be the first one
giving you all this attention
Baby listen

(CHORUS)

(Repeat 2x)
I need somebody,
I-I need somebody,
I need somebody,
I-I need somebody.

(Somebody to loooove, somebody to looove.)

I just need somebody to love.

And you can have it all, anything you want
I can bring you, give you the finer things, yeah
But what I really want, I can t find
Cause money can t find me
Somebody to love

Oh, find me somebody to love, oh

(CHORUS)

I need somebody,
I-I need somebody,
I need somebody,
I-I need somebody.

I need somebody,
I-I need somebody,
I need somebody,
(I swear I just need somebody to love)
I-I need somebody.

Oh Oh

I just need somebody to love.

Is she up there?
I just need somebody to love.
