

Moonbeam

Justin Courtney Pierre

G D G D
I can hear the rain
G D Em D
Butcher up the streets again
G D G D
I belong to you
G D C
I can barely feel you breathing

D Em C
Gone are the lives that we used to know
D Em C
Time is a bastard like that

G D G D
Lately I can tell
G D Em D
Shadows of our former selves
G D G D
Are we almost there?
G D C
Waiting is the hardest on hearts

D Em C
Somewhere the light seemed to flicker out
D Em C
Somehow a darkness shone through
D Em C
These just a few things I storm about
D Am G
But Iâ€™d catch a moonbeam for you
D Am G
Iâ€™d catch a moonbeam for you
D Am G
Iâ€™d catch a moonbeam for you
D Am C
Iâ€™d catch a moonbeam for you

G D G D
I can hear the rain
G D Em D
Choking out what still remains
G D G C
Steady as she goes
G D C (let ring)
I can almost feel you somewhere
