Moonbeam

Justin Courtney Pierre

G D G D I can hear the rain G D Em D Butcher up the streets again G D G D I belong to you G D C I can barely feel you breathing Em Gone are the lives that we used to know D Em C Time is a bastard like that G D G D Lately I can tell G D Em D Shadows of our former selves G D G D Are we almost there? D Waiting is the hardest on hearts Somewhere the light seemed to flicker out D Em C Somehow a darkness shone through D Em C These just a few things I storm about D Am G But I'd catch a moonbeam for you D Am I'd catch a moonbeam for you D Am G I'd catch a moonbeam for you Am I'd catch a moonbeam for you G D G D I can hear the rain G D Em Choking out what still remains G D G C Steady as she goes

G D C (let ring)

I can almost feel you somewhere
