

Every Songs The Same
Justin Currie

Capo 3rd fret - chords relative to capo

Let me teach you how to write a song
The first line must be brief but strong
And the second line should rhyme
With something in your baby s heart
Something that they know but cannot name
And in that way every song s the same

Bm Bsus2 Bm D D2 D
Bm Bsus2 Bm D D2 D

Let me show you how to write a tune
The first note should mean the world to you
And the second one should come
Like an arrow out of a dream
Something only hit by the singer s aim
And in that way every tune s the same
