As Long As The Moon Can Shine (Justin Hayward)

F Bb F Bb
I must have known that it existed, but I couldn t quite conceive it

F Bb Gm C7
I was always the loser in affairs of the heart

F Bb
Well you know how when you find something

F Bb
Want you don t believe it

D D7 Bb Gm C7 F
No you can t quite believe it when the good times start

A Dm C7 F
I used to think of love as just a dream that disappears

Bb F Gm7 C7
But you ve taught me more tonight than I have learned in all those years

F C7 F
As long as the moon can keep on shining

Bb C7 F F7
And the sun keeps hanging in the sky

Bb C7 F Dm Gm C7
No-one can take what flows between us, no-one alive

F C7 F
As long as the moon can keep on shining

Bb C7 A D7
And the years keep rolling slowly by

Bb C7 F Dm Bb C7 F
You ll be a friend of mine, as long as the moon can shine

F Bb F Bb
Some people search for people and some people search for freedom

F **Bb** **Gm** **C7**
And some search for nothing but the thrill of the chase

F **Bb**
Well you know sometimes you search for things

F **Bb**
Just to find that you don't need them

D **D7** **Bb** **Gm** **C7** **F**
Or you search for the right things in the wrong kind of place

A **Dm** **C7** **F**
I used to think of love as just a promise people make

Bb **F** **Gm7** **C7**
Or a game that people play or just a risk that people take

F **C7** **F**
But as long as the moon can keep on shining

Bb **C7** **F** **F7**
And the sun keeps hanging in the sky

Bb **C7** **F** **Dm** **Gm** **C7**
No-one can take what flows between us, no-one alive

F **C7** **F**
As long as the moon can keep on shining

Bb **C7** **A** **D7**
And the years keep rolling slowly by

Bb **C7** **F** **Dm** **Bb** **C7** **F** **F#** **Dm** **F**
You'll be a friend of mine, as long as the moon can shine

Bb **F**
As long as the moon can, shine
