Let It Begin (Justin Hayward)

**C**

Dreaming a daydream, when will it all come true

**Em F Em F**

Still the world keeps turning, longing for the truth

**Em F C**

Letters keep returning still unopened

**C**

I have a vision, soon it ll all come true

**Em F Em F**

I speak with my emotions, positive they are

**Em F C Bb**

Though the tears are raining, I see sunshine, I see sunshine

**C F G**

Let it begin to change, what have we lost by losing

**C F G**

Oh let it begin to change, are we lost by losing

**Bb / / / F / / / C / / / / / / /**

By cheating, and lying, woah

**C**

Acres of plenty, far as the eye can see

**Em F Em F**

No-one growing hungry, voices raised in song

**Em F C Bb**

Joining in the beauty everlasting, everlasting

**C F G**

Let it begin to change, what have we lost by losing

**C F G**

Oh let it begin to change, are we lost by losing

**C**

Oh let it begin to change

**F**

**G**

**Bb / / / F / / /**

It won't be long now before we can live as one

**C**

**F**

**G**

Oh let it begin to change, what have we lost by losing

**C**

**F**

**G**

Oh let it begin to change, are we lost by losing

**C**

**G**

Let it begin to change, what have we lost by losing
