The Lights Are Low (Justin Hayward)

Dm / / /

Dm F

% The lights are low
They say it s true
I feel your magic as we move and sway
The lights are low

Dm F

And the music now is slow
I m a fool to trust in you
Seems like my self-control is slipping away
And the music now is slow

Gm Bb C Bb C

And we ask the night, how can this be wrong, and feel so right Go %(2)
But then who are they, who are they to know, I need you so
Let me taste the love, let me drink the wine, that s yours and mine
And we ask the night, how can this be wrong, and feel so right Go &

Bb Am

Did you ever look in the mirror
Did you ever wake up in the morning

Gm

And see a stranger standing there
And find that nothing, nothing was the same

Am

Did you ever drive for miles and miles
And the only thing that really matters

Gm

And wonder how on earth you got yourself there
Is the pleasure and the pain
