                           Night Flight   (Justin Hayward)

```
              Dm                              Bb
%     We were two lonely travelers in the sky that night
      We were two golden eagles in the sky today
      We were two lonely travelers in the sky that night

       Dm                        Bb
      Two lonely travelers high flying
      Two golden eagles high flying
      Two lonely travelers high flying

       Dm                        Bb
      Alone in the night on an endless flight
      Who swept through the air to a secret lair
      Alone in the night on an endless flight

            Dm                        Bb
      Killing time with polite conversation
      Flying free slowly wheeling and gliding
      Killing time with polite conversation

            Dm                        Bb
      Killing time in your shy hesitating way
      Flying free on the sea and the high plateau
      Killing time in your shy hesitating way

            Dm                   Bb                Am
      Killing time killing my isolation
      Flying free on the breeze without trying
      Killing time killing my isolation

   Dm                           Bb
      Two lonely travelers breaking ice

                    Am            Dm       Am  Dm
      By opening up a few old back pages             (1)  Am   Dm      Go %(2)

            Bb              Am             Dm      Am  Dm
      And letting secrets out of their cages

            Bb            Am              Dm      Am  Dm    Am  Dm    Am  Dm
      But wanting to remain perfect strangers

&      Cause I was on a night flight floating above the world

                   Bb   Am                          Dm
Yes it was the moonlight painting the wings in pearl

                 G     Bb                   Dm
High above the clouds, high above the world

                 Bb          Am                          Dm
Yes I was on a night flight lost in a different world

               Bb   Am                    Dm
I can see the starlight silver a gypsy girl

               G     Bb                   Dm
High above the clouds, high above the world  (1)Go %(3)
