A long way we have travelled just to see your name in lights

**D** **A** **Em** **A**  
We re writing you this letter cos we re with you tonight

**Em** **A** **D**  
Your Mama misses you so, and your Papa wants you to know, that Babe

**Bb** **D** **Bb** **D**  
We want you to have your say, we don t want to stand in your way

**D** **A** **Em** **A**  
The last time that we saw you and we heard those curtain calls

**D** **A** **Em** **A**  
We held hands and we loved you and we shouted for more

**Em** **A** **D**  
Your Mama she misses you so, and your Papa wants you to know, that Babe

**Bb** **D** **Bb** **D**  
We want you to have your say, we don t want to stand in your way

**Bm** **C**  
But call us and say when you re passing this way

**Bm** **D**  
And let us still know that you care

Clean sheets on the bed in your room & a place at the table & in our hearts

**D** **A** **Em** **A**  
Such a long way we have travelled just to see your name in lights

**D** **A** **Em** **A**  
We re writing you this letter cos we re with you tonight

Your Mama she misses you so, and your Papa wants you to know, that Babe

**Bb** **D** **Bb** **D**  
We want you to have your say, we don't want to stand in your way

**D** **A** **Em**  
Every night is a first night for someone, someone's making their debut

**A**  
On starry eyes the curtain will rise

**D** **A** **Em**  
Every night is a first night for someone, someone's bringing the house down

**A**  
We want you to know they're stealing the show
