G **Am**
Las Vegas, back in '05, a million dollars all on one ride
C **G** **D**
J.W. tied me in, said make sure you get him right
G **Am**
This is what you've been waiting for all these years
C **G** **D**
Just before I nodded, he hollered in my ear

G **Am**
Whatever you do don't let go
C **G**
It's time to be a cowboy don't you know
If you get through this you got it whipped
Am
But till you hear the whistle blow
C **G**
Whatever you do, Don't let go

G Am C G

Verse Chords:

Six months later things got a little rough at home
She had me so turned around, I thought about gettin gone
I was telling J.W. about it, over a couple beers
He said if you lose one that good, you'll regret this day for years

Chorus Chords:

Whatever you do don't let go
It's time to be a cowboy don't you know
If you get through this you got it whipped
There'll be better days down the road
So whatever you do, Don't let go

G Am C G

It's time to be a cowboy don't you know
If we get through this we've got it whipped
