Til My Last Day
Justin Moore
Justin Moore: Til My Last Day
Capo 2
For the G^* Chord, play this starting from the thick top string: 200033
This is a great Justin Moore song
Love,
        -Kevin
[Verse 1]
People say I m just a rough boy
I ain t no good for you girl
It s a dead end street, tryin to love me
                            G*
Yeah, I ll wreck your world
I can see why they re all talkin
Lookin back at my past
I ve got a bad name, but a man can change
I m livin proof of that
[Chorus]
Til my last day
Til my last breath
Of everyone that can, I can love you the best
                C
                         G
Til my last day, I ll be lovin you
All the way up, til they lay me down
Six feet under, the cold hard ground
Til my last day, I ll be lovin you
[Verse 2]
Baby I might meet all my friends
Shoot the bull, have a beer or two
```

But you know I ll be the first one to leave

```
G
In a hurry to get to you
Somewhere deep inside your angel eyes
I found a place to rest, don t ever doubt that
I ll be around, and baby don t you ever forget
[Chorus]
Til my last day
Til my last breath
Of everyone that can, I can love you the best
                        G
               C
Til my last day, I ll be lovin you
All the way up, til they lay me down
Six feet under, the cold hard ground
               C
Til my last day, I ll be lovin you
-Solo-interlude-
[Chorus]
(Palm Muted first half)
Til my last day
Til my last breath
Of everyone that can, I can love you the best
  D C G D
Til my last day, I ll be lovin you
(not palm muted)
G
All the way up, til they lay me down
Six feet under, the cold hard ground
               С
Til my last day, I ll be lovin you
                   Am C
Oh baby til my last day, Ill be lovin you
