Verse:  
(1rst verse, let the notes ring out a bit)

          C                          G  
Dear old love, I needed to write you  
          F                          C  
I need you to know that, I am not angry.  
          C                          G  
You were right, you said you deserve better,  
          F                          C  
And I was wrong, to let you love pass me by.

Pre-Chorus:  
          C          G          F  
And not a night passes by,  
          C          G          F  
That I don t think of you and cry,  
          C          G          F  
I know your somewhere out there wishin on a starry sky,  
          F  
I ll spend the rest of my life...

Chorus:  
                                  C

Dreamin on the love you gave me,

**G**
