

Bigger Than The World
Justin Timberlake

Am F C G

I think my heart might explode **Am**
F Cause now I feel the weight of your love on me now **C** **G**
From my head down to my toes **Am**
F cause I can t handle nothin else **C** **G**
I m starring at the mirror at these clothes **Am**
F That is funny, they mean about as much as yesterday **C** **G**
Something is calling me home, me home **Am** **F**
I can hear your voice and I m not afraid **C** **G**

CHORUS :

Now I know I m just a girl **Am**
F Trying to make my way through this life **C** **G**
Now I feel bigger then the world **Am**
F With your hand in mine **C** **G**
Like a speeding bullet **Am**
F Trying to make my way back through the night **C** **G**
And now I feel bigger then the world **Am**
F With your hand in mine **C** **G**

VERSE 2 :

Boy, I ll take care of the storm
Let s sneek right pass the cloud of where it sworn
And I can handle the people
There just pebble s on the long, long road

I m starring at the sky at those stars
And it s funny, they seem about as far as tomorrow
Something is calling me home, me home

And I m not afraid no

BRIDGE 1 :

Am **F**
Cause I can see everything from high above
C **G**
The Earth is a little place next to my love
Am **F**
I can be strong here where you are
C **G**
Just look for me in the sky,im not that far

(CHORUS)

BRIDGE 2:

Am
Now I feel bigger then the trees
F
That holds the leaves
C
Bigger then the mountains
G
That touch the see
Am
Bigger then the night
F
That needs to stay
C
Bigger then the waves
G
That crash the bay

Am **F**
Bigger oh ooh, bigger oh ooh
C **G**
Bigger oh ooh, oh oh ooh

(CHORUS)
