Bigger Than The World Justin Timberlake

AmFCG

Am I think my heart might explode F С G Cause now I feel the weight of your love on me now Αm From my head down to my toes F C G cause I can t handle nothin else Am I m starring at the mirror at these clothes С G That is funny, they mean about as much as yesterday F Am Something is calling me home, me home С G I can hear your voice and I m not afraid

CHORUS :

Am Now I know I m just a girl  $\mathbf{F}$ C Trying to make my way through this life Am Now I feel bigger then the world C G  $\mathbf{F}$ With your hand in mine Am Like a speeding bullet G F С Trying to make my way back through the night Am And now I feel bigger then the world  $\mathbf{F}$ C G With your hand in mine VERSE 2 : Boy, I ll take care of the storm

Let s sneek right pass the cloud of where it sworn And I can handle the people There just pebble s on the long, long road

I m starring at the sky at those stars And it s funny, they seem about as far as tomorrow Something is calling me home, me home BRIDGE 1 : Am F Cause I can see everything from high above C G The Earth is a little place next to my love Am F I can be strong here where you are C G Just look for me in the sky, im not that far

(CHORUS)

And I m not afraid no

BRIDGE 2: Am Now I feel bigger then the trees F That holds the leaves С Bigger then the mountains G That touch the see Am Bigger then the night  $\mathbf{F}$ That needs to stay C Bigger then the waves G That crash the bay Am F Bigger oh ooh, bigger oh ooh С G

Bigger oh ooh, oh oh ooh

(CHORUS)
