Oooooooo I ve been travelin on this road to long
Just trying to find my way back home
The old me is dead and goneâ€¦| dead and goneâ€¦| eeyy

Verse 1 (T.I.)

Ever had one of dem days u wish woulda stayd home
Run into a group of ni&&as getting they hate on
U walk by they get wrong u reply then sh*t get blown
Way outta proportion way past discussion
Just u against them, pick one then rush em
Figure u get your hair? that next
They donâ€™t wanna stop there now they bussin
Now u gushin, ambulance rushin u to the hospital with a bad concussion
Plus ya hit 4 times plus it hit ya spine paralyzed waist down now ya wheel chair
bound
Nevermind that now u lucky to be alive, Just think it all started u fussin with
3 guys
Now ya pride in the way but ya pride is the way u could *uck around get shot die
anyday
Ni&&as die every day all over bull sh*t dope money dice game ordinary hood sh*t
Could this be cuz of hip hop music or did the ones with the good sense not use
it
Usually ni&&as donâ€™t kno what to do when their back against the wall so they
just start shootin
For red or for blue or for blo I guess, from Bankhead or from your projects
No more stress, now im straight, now I get it now I take
Time to think, before I make mistakes just for my familyâ€™s sake
That part of me left yesterday the heart of me is strong today
No regrets im blessed to say the old me dead and gone away.

Chorus

Verse 2 (T.I.)

I aint never been scared, I lived through tragedy
Situation coulda been dead lookin back at it
Most of that sh*t didnâ€™t even have to happen
But u donâ€™t think about it when u out there trappin
In apartments hangin smokin and rappin
Ni&&as start sh*t didnâ€™t next thing ya kno we cappin
Get locked up then didnâ€™t even get mad
Now think about damn what a life I had
Most of that sh*t look back just laugh
Some sh*t still look back just sad
Maybe my homboy still be around
Had I not hit the ni&&a in the mouth that time
I won that fight, I lost that war
I can still see my ni&&a walkin out that door
Whoâ€™da thought Iâ€™d never see Philant no more

Got enough dead homies I donâ€™t want no more
Cost a ni&a his job, cost me more
Iâ€™da took that ass-whoopin now for sure
Now think before I risk my life
Take them chances to get my stripe
A ni&a put his hands on me alright
Otherwise stand there talk sh*t all night
Cuz I hit you , you sue me,
I shoot you, get locked up, who me?
No more stress, now im straight, now I get it now I take
Time to think before I make mistakes just for my familyâ€™s sake
That part of me left yesterday the heart of me is strong today
No regrets im blessed to say the old me dead and gone away.

Verse 3 (J.T.)

I turn my head to the eastâ€| I donâ€™t see nobody by my side
I turn my head to the westâ€| still nobody in sight
So I turn my head to the north, swallow that pill that they call pride
The old me is dead and gone, the new me will be alright
I turn my head to the eastâ€| I donâ€™t see nobody by my side
I turn my head to the westâ€| still nobody in sight
So I turn my head to the north, swallow that pill that they call pride
The old me is dead and gone, the new me will be alright

Chorus
