Yea Uh, excuse me

Em **D**
Hi my name is Bob and I work at my job
G **Bm**
I make forty-some dollars a day
Em **D**
I used to be the man in my hometown
G **Bm**
til I started to lose my way
Em **D**
It all goes back to when I dropped out at school
G **Bm**
Having fun, I was living the life
Em **D**
But now I got a problem with that little white rock
G **Bm**
See I can put down the pipe

And...

Em **D**
it is breaking me down
G **Bm**
Watching the world spin round
Em **D**
While my dreams fall down
G **Bm**
Is anybody out there?

Em **D**
It is breaking me down
G **Bm**
No more friends around...
Em **D**
And my dreams fall down...
G **Bm**
Is anybody out there?

Em **D**
Can anybody out there hear me?
G **Bm**
Cause I can t seem to hear myself
Em **D**
Can anybody out there see me?
G **Bm**
Cause I can t seem to see myself...
Em **D**
There s gotta be a heaven somewhere
G **Bm**
Can you save me from this hell?
Em **D**

Can anybody out there feel me?

G

Cause I can't seem to feel myself

(from now on just use the same chord order (Em D G Bm) :)

Now you gotta understand I was a family man

I would have done anything for my own

But I couldn't get a grip on my new found itch

So I ended up all alone

I remember where I was when I got my first buzz

See I thought I was living the life

And the craziest thing is I'll probably never know the color of my daughter's eyes

And ...

it is breaking me down

Watching the world spin round

While my dreams fall down

Is anybody out there?

It is breaking me down

No more friend around...

And my dreams fall down...

Is anybody out there?

Can anybody out there hear me?

Cause I can't seem to hear myself

Can anybody out there see me?

Cause I can't seem to see myself

There's gotta be a heaven somewhere (There's gotta be a heaven somewhere)

Can you save me from this hell? (Can you save me?)

Can anybody out there feel me?

Cause I can t seem to feel myself.

Losing my way... (yea..)
Keep losing my way... (losing my way)
Keep losing my way (echo)
Can you help find my way? (ohh yea...)
Losing my way
Keep losing my way (losing my way)
Keep losing my way (So...)
Can you help me find my way?

Oh my god please forgive me (father hear my pray)
Cause I know I ve done some wrong in this life (in this life)
If I could do it all again (do it all again)
Have just one more chance
To take all those wrongs and make them (Oh!....)

Can anybody out there hear me?
Cause I can t seem to hear myself
Can anybody out there see me?
Cause I can t seem to see myself
There s gotta be a heaven somewhere (gotta be a heaven somewhere...hey...)
Can you save me from this hell
Can anybody out there feel me? feel me
Cause I can t seem to feel myself. feel me hey!

Can anybody out there hear me?
Cause I can t seem to hear myself
Can anybody out there see me?
Cause I can t seem to see myself
There s gotta be a heaven somewhere
Can you save me from this hell
Can anybody out there feel me?
Cause I can t seem to feel myself

Losing my way
