

My Love

Justin Timberlake

Em **Bm**
If I wrote you a symphony,
Bm **Am**
Just to say how much you mean to me (what would you do?)
Em **Bm**
If I told you you were beautiful
Bm **Am**
Would you date me on the regular (tell me, would you?)
Em **Bm**
Well, baby I ve been around the world
Bm **Am**
But I ain t seen myself another girl (like you)
Em **Bm**
This ring here represents my heart
Bm **Am**
But there s just one thing I need from you (say I do)
Yeah, because
Em
I can see us holding hands
Bm
Walking on the beach, our toes in the sand
Bm
I can see us on the countryside
Am
Sitting on the grass, laying side by side
Em **Bm**
You could be my baby, let me make you my lady
Girl, you amaze me
Bm
Ain t gotta do nothing crazy
Am **Em**
See, all I want you to do is be my love
Bm
(So don t give away) My love
Bm
(So don t give away) My love
Am **Em**
(So don t give away) Ain t another woman that can take your spot, my love
Bm
(So don t give away) My love
Bm
(So don t give away) My love
Am **Em** **Bm**
(So don t give away) Ain t another woman that can take your spot, my love
Bm **Am**
My love

My love

Now, if I wrote you a love note

And made you smile with every word I wrote (what would you do?)

Would that make you want to change your scene

And wanna be the one on my team (tell me, would you?)

See, what s the point of waiting anymore?

Cause girl I ve never been more sure (that baby, it s you)

This ring here represents my heart

And everything that you ve been waiting for (just say I do)

{Chorus:}

Yeah, because

I can see us holding hands

Walking on the beach, our toes in the sand

I can see us on the countryside

Sitting on the grass, laying side by side

You could be my baby, let me make you my lady

Girl, you amaze me

Ain t gotta do nothing crazy

See, all I want you to do is be my love

(So don t give away) My love

(So don t give away) My love

(So don t give away) Ain t another woman that can take your spot, my love

(So don t give away) My love

(So don t give away) My love

(So don t give away) Ain t another woman that can take your spot, my love

Ooooh, girl

My love

My love

{T.I. s rap:}

Shorty, cool as a fan

On the new once again

But, still has fan from Peru to Japan

Listen baby, I don t wanna ruin your plan

If you got a man, try to lose him if you can

Cause your girls real wild through your hands up high

When they wanna come kick it wit a stand up guy

You don t really wanna let the chance go by

Because you ain t been seen wit a man so fly

Friend so fly i can go fly

Private, cause I handle mine

B.I. they call me candle guy, simply because I am on fire

I hate to have to cancel my vacation so you can t deny

I m patient, but I ain t gonna try

You don t come, I ain t gonna die

Hold up, what you mean, you can t go why?

Me and you boyfriend we ain t no tie

You say you wanna kick it with an ace so high

Baby, you decide that I ain t your guy

Ain t gon lie ,Me in your space

But forget your face, I swear I will

Same mark, same bullet anywhere I chill

Just bring wit me a pair, I will

{Chorus:}

I can see us holding hands

Walking on the beach, our toes in the sand

I can see us on the countryside

Sitting on the grass, laying side by side

You could be my baby, let me make you my lady

Girl, you amaze me

Ain t gotta do nothing crazy

See, all I want you to do is be my love

(Love) My love

(Love) My love

(Love) Ain t another woman that can take your spot, my love

(Love) My love

(Love) My love

(Love) Ain t another woman that can take your spot, my love

Ooooh, girl
