Verse:

**G#**                    **C#**                    **Cm**                    **D#**                    **G#**  
My shattered dreams and broken heart are mending on the shelf  
**G#**      **C#**                    **Cm**                    **D#**                    **G#**  
I saw you holding hands standing close to someone else  
**G#**      **C#**                    **Cm**                    **C**                    **Fm**  
Now i sit all alone wishing all my feelins was gone  
                         **Bbm**                    **D#**  
I gave my best to you, nothing for me to do  
                         **G#**  
but have one last cry

Chrous:

**C#**  
One last cry  
                         **D#**                    **Fm**  
Before I leave it all behind  
                         **A#m**                    **Cm**                    **Fm**  
I gotta put you outta my mind this time  
                         **Fm**  
Stop livin a lie  
                         **C#**                    **D#**                    **G#**  
I guess I m down to my last cry
