Hey Girl

Is he everything you wanted in a man?
You know I gave you the world
You had me in the palm of your hand
So why your love went away
I just can't seem to understand
Thought it was me and you, baby
Me and you until the end
But I guess I was wrong

Don't wanna think about it(uh)
Don't wanna talk about it(uh)
I'm just so sick about it
I can't believe it's ending this way
Just so confused about it(uh)
Feeling the blues about it(yeah)
I just can't do without ya
Tell me is this fate

Is the way it's really going down?
Is this how we say goodbye?
Shoulda known better when you came around
That you were gonna make me cry
It's breaking my heart to watch you run around
Cause I know that you're living a lie
But that's ok, baby, cause in time you will find

What goes around, goes around, goes around, comes all the way
back around
What goes around, goes around, goes around, comes all the way
back around
What goes around, goes around, goes around, comes all the way
back around
What goes around, goes around, goes around, comes all the way
back around
Yeah

Now Girl

I remember everything that you claimed
You said that you were moving on now(on now)
Maybe I should do the same(maybe I should do the same)
The funny thing about that is
I was ready to give you my name
Thought it was me and you baby(baby)
And now, it's all just a shame
That I guess I was wrong

Don't wanna think about it(no)

Don t wanna talk about it(hm)
I m just so sick about it
I can t believe it s ending this way
Just so confused about it(uh)
Feeling the blues about it(yeah)
I just can t do without ya
Can you tell me is this fate

Is the way it s really going down?
Is this how we say goodbye?
Shoulda known better when you came around
That you were gonna make me cry
Now it s breaking my heart to watch you run around
Cause I know that you re living a lie
But that s ok, baby, cause in time you will find

What goes around, goes around, goes around, comes all the way
back around
What goes around, goes around, goes around, comes all the way
back around
What goes around, goes around, goes around, comes all the way
back around
What goes around, goes around, goes around, comes all the way
back around
Yeah

What goes around comes around
Yeahhh
What goes around comes around
You should know that
What goes around comes around
Yeahhh
What goes around comes around
You should know that

Don t wanna think about it(no)
Don t wanna talk about it(hm)
I m just so sick about it
I can t believe it s ending this way
Just so confused about it(uh)
Feeling the blues about it(yeah)
I just can t do without ya
Tell me is this fate

Is the way it s really going down?
Is this how we say goodbye?
Shoulda known better when you came around(shoulda
known better)
That you were gonna make me cry
It s breaking my heart to watch you run around(now
it s breaking my heart)
Cause I know that you re living a lie
But that s ok, baby, cause in time you will find

What goes around, goes around, goes around, comes all the way
back around

(what goes around comes around, baby)

What goes around, goes around, goes around, comes all the way
back around

(what goes around comes around, baby)

What goes around, goes around, goes around, comes all the way
back around

What goes around, goes around, goes around, comes all the way
back around

Yup

Yup

Yup(let me paint this picture for ya, baby)

Yup

You spend your nights alone

And he never comes home

And everytime you call him, all you get is a busy tone

I heard you found out

That he s doing to you

What you did to me

Ain t that the way it goes

When you cheated, girl

My heart bled, girl

So it go without saying that should let the feeling
hurt

Just a classic case scenario

Tell is always time

Girl, you got what you deserved

And now you want somebody

To cure the lonely nights

You wish you had somebody

That could come and make it right

But girl, I ain t somebody

I m out of sympathy

See..

What goes around comes back around

I thought I told ya

Hey(hey)

What goes around comes back around

I thought I told ya

Hey(hey)

What goes around comes back around

I thought I told ya

Hey(hey)

What goes around comes back around

I thought I told ya

Hey(hey)

Take it to em, J

Hey, hey, hey, hey(repeatedly till the end)

Haha

See

You shoulda listened to me, baby

Take it to em, J
