Oh well tonight when

F

I lay me down

F Bb F

Oh well lord Iâ€™m going home

F Bb

Back to that river

Bb F

Back to my brother oh lord

F C F

I may no longer be alone

Now in my life Iâ€™ve
Iâ€™ve had few comfort
And ones I did I pushed aside
But now Iâ€™m going back home to Jesus
Drowning in the river wide

Iâ€™ve had some friends
Out on this road
Who have give me a helping hand
And I know I
Canâ€™t repay them lord
But I know they will understand

So gather round boys
This hereâ€™s the last time
Youâ€™re gonna see me in one piece
So put a kiss
Upon my lips oh boys
And then send me off to see

Oh well tonight when
I lay me down
Oh well lord Iâ€™m going home
Back to that river
Back to my brother oh lord
I may no longer be alone

I may no longer be alone
