

Am I That Lonely Tonight
Justin Townes Earle

CAPO 2

C **Am**
I hear my father on the radio
Dm **G**
singing Take me home again.

Three hundred miles from the Carolina coast

and I m skin and bones again.

sometimes I wish that he d just call
F **G** **C**
Am I that lonely tonight? I don t know.

C **Am**
There s just something in a night like this
Dm **G**
that can be so hard to take.
C **Am**
Oncoming headlights through the mountain mist
Dm **G**
too close for comfort, too much at stake
C **Am**
So turned the radio down,
Dm **G**
rolled the windows up and say to myself that
C **Am** **Dm** **G**
I thought I d be a better man.

Am **C**
Sometimes I wish that I could find a way
Am **G**
where I don t feel so all alone
F **G** **C**
Am I that lonely tonight? I don t know.

Am **C**
Sometimes I dream that I have found a place
Am **G**
where I don t feel so all alone
