

Turn Out My Lights
Justin Townes Earle

Capo 2

G C D G
Same old blues comin' round again
D G
Every night about this time
Em C G
And it's calling me like a long lost friend
C D G
When I turn out my lights

I can see you in my dreams
Every time I close my eyes,
Just like I knew you'd be to
Get me through the night

G C D G
I can feel the darkness falling
D G Em
like the rain against the windows and
C G C
I can hear her memory like a
D G C
dream outside my window

Even though I know you're gone
I don't have to be alone now
You're here with me every night
When I turn out my lights

C

When I turn out my lights tonight

G C

And look into your eyes

I know it s gonna be alright
