

What Do You Do When Youre Lonesome
Justin Townes Earle

[Chorus]

G **C**
Now what do you do when youâ€™re lonesome?
D **G**
Where do you go when youâ€™re blue?
C
And how do you deal with such emotion?
D **G**
When youâ€™re just an ordinary fool?

[Verse]

G **C**
Do you hang your head and walk the streets hoping no one sees your face?
D **G**
Wishing you were someone else someplace far away?
G **C**
Do you stay out late nights drinking trying to smile through?
D **G**
A pain that everyone knows is tearing you in twoâ€¦

[Chorus]

G **C**
Now what do you do when youâ€™re lonesome?
D **G**
Where do you go when youâ€™re blue?
C
And how do you deal with such emotion?
D **G**
When youâ€™re just an ordinary fool?

[Verse]

G **C**
Now some have tried changes of geography and such.
D **G**
Others have locked their hearts away for fear that theyâ€™ll fall in love.
G **C**
Oh, but still thereâ€™s still some far too dumb to know thereâ€™s something
wrong
D **G**
And they waste their lives wondering why theyâ€™re waking up alone.

[Chorus]

G **C**

Now what do you do when you're lonesome?

D **G**

Where do you go when you're blue?

C

And how do you deal with such emotion?

D **G**

When you're just an ordinary fool?

[Chorus]

G **C**

Now what do you do when you're lonesome?

D **G**

Where do you go when you're blue?

C

And how do you deal with such emotion?

D **G**

When you're just an ordinary fool?
