verse 1:
                                    D/F#
        G2
I canâ\inmt cause the sun to rise up in the morning
                          Α
I can't take this life and make it go my way
                                             D/F#
I canâ\inmt control the way the storm moves on the ocean
         C2
                         G/B
                                       Asus A
I can't restore the hope I lost along the way
       G2 D/F# G2 Asus A
But You can, Lord I know You can…
chorus:
                       D/F#
Cause You alone, You are God and Your in everything
         D/F#
You alone You are faithful to the end
                         D/F#
                                             Asus
I wont place my faith and trust in all these temporary things
                             Asus A
Cause all eternity is in your hand
In You Alone
verse 2:
          G2
You have opened up our eyes along this journey
    Bm A
But even still we tend to lose our way
                                          D/F#
In our weakness we have found that you are faithful
                       G/B
To give the strength to make it through the day
           G2 D/F# G2
Because You can, We know You can, You can
