verse 1:
                                    C/F#
        F2
I canâ\inmt cause the sun to rise up in the morning
                          G
I can't take this life and make it go my way
                                             C/F#
I canâ\inmt control the way the storm moves on the ocean
         Bb2
                          F/B
I can't restore the hope I lost along the way
       F2 C/F# F2 Gsus G
But You can, Lord I know You canâ€
chorus:
                       C/F#
Cause You alone, You are God and Your in everything
         C/F#
You alone You are faithful to the end
                         C/F#
                                             Gsus
I wont place my faith and trust in all these temporary things
                 Gsus G
Cause all eternity is in your hand
In You Alone
verse 2:
          F2
You have opened up our eyes along this journey
    Am G
But even still we tend to lose our way
                                          C/F#
In our weakness we have found that you are faithful
                        F/B
To give the strength to make it through the day
           F2 C/F# F2
Because You can, We know You can, You can
