

**I See You**  
**Jutty Ranx**

this is mine first tab..i hope that is corect

**G, Em, Bm, D**

You were never young, my love  
I can tell, not by the way that you smell  
But by the way you move your tongue, my love  
Somebody shake me  
What can I do?  
Am I in love with The Night? Am I in love with you?  
Will you take what I ve got?  
Will we die on the spot?  
Too soon to say  
What s your name, anyway?

You make me make moves  
I see you, you know I see you  
I break through to get to you  
It s so true, it s so true  
I see you, you know that I see you  
And you know that it don t cost a thing  
For us to see this through

When you came into focus  
How could I pretend I didn t notice?  
An incision when you looked back  
You gave me tunnel vision right through the pack  
Will you take what I ve got?  
Will we die on the spot?  
Too soon to say  
What s your name, anyway?

You make me make moves  
I see you, you know I see you  
I break through to get to you  
It s so true, it s so true  
I see you, you know that I see you  
And you know that it don t cost a thing  
For us to see this through

I crossed the party line  
And lost it just to find it  
All the people fall upon the beat and get behind it  
I want you to myself  
Can we take this somewhere else?  
My heart s an open book and you just took it off the shelf

You make me make moves  
I see you, you know I see you  
I break through to get to you  
It s so true, it s so true  
I see you, you know that I see you  
And you know that it don t cost a thing  
For us to see this through
