I See You Jutty Ranx

this is mine first tab..i hope that is corect

G, Em, Bm, D

You were never young, my love
I can tell, not by the way that you smell
But by the way you move your tongue, my love
Somebody shake me
What can I do?
Am I in love with The Night? Am I in love with you?
Will you take what I ve got?
Will we die on the spot?
Too soon to say
What s your name, anyway?

You make me make moves
I see you, you know I see you
I break through to get to you
It s so true, it s so true
I see you, you know that I see you
And you know that it don t cost a thing
For us to see this through

When you came into focus

How could I pretend I didn t notice?

An incision when you looked back

You gave me tunnel vision right through the pack

Will you take what I ve got?

Will we die on the spot?

Too soon to say

What s your name, anyway?

You make me make moves
I see you, you know I see you
I break through to get to you
It s so true, it s so true
I see you, you know that I see you
And you know that it don t cost a thing
For us to see this through

I crossed the party line
And lost it just to find it
All the people fall upon the beat and get behind it
I want you to myself
Can we take this somewhere else?
My heart s an open book and you just took it off the shelf

You make me make moves
I see you, you know I see you
I break through to get to you
It s so true, it s so true
I see you, you know that I see you
And you know that it don t cost a thing
For us to see this through
