[Verse 1]

**F#** **Bbm**

You know, you know that you gotta go

**F#** **Bbm**

So go, I thought you don t pack a soul

**F#** **Bbm**

I tried, I tried to empathize

**F#** **Bbm**

But white lies, a dog gotta be a prize

**F#** **Bbm**

And now the sun is setting well

**F#** **Bbm**

We got to let it go

**F#** **Bbm**

We were too deaf for wedding bells

**F#** **Bbm**

And too naïve to know

[Chorus 2]

**F#**

Got to pack my  
**Bbm**  
Things and go  
**F#**  
Move fast not slow  
**Bbm**  
The dog is mine  
**F#**  
Oh you got to pack your  
**Bbm**  
Things and go

[Verse 2]

**F#** **Bbm**  
Go ahead, go ahead with your better self  
**F#** **Bbm**  
We ll go in love with somebody else  
**F#** **Bbm**  
Sometimes it s better to live in sin  
**F#** **Bbm**  
Than in love when you don t want someone to win

**F#** **Bbm**  
And now the sun is setting well (setting well)  
**F#** **Bbm**  
We got to let it go (let it go)  
**F#** **Bbm**  
We were too deaf for wedding bells (wedding bells)  
**F#** **Bbm**  
And too naïve to know

[Chorus 3]

**F#**  
Got to pack my  
**Bbm**  
Things and go  
**F#**  
Move fast not slow  
**Bbm**  
The dog is mine  
**F#**  
Oh you got to pack your  
**Bbm**  
Things and go  
**F#**  
Move fast not slow  
**Bbm**

That dog is mine

[Bridge]

**C## G#**

Malibu, Prius drive

**F#**

Who took who for a ride

**C## G#**

Wild fucks, black boots

**F#**

More shots, half truths

**C## G#**

Easy come, easy go

**F#**

Yoga mat, Yoda flow

**C## G#**

Canyon road, Hayden s house

**F#**

Turn me up, fake me out

**C## G#**

Birthdays, little word

**F#**

Spare keys, insert

**C## G#**

Argument, ecstasy

**F#**

Don t stand so next to me

**C## G#**

Computer screens, swallow us

**F#**

Look at all my followers

**C## G# F#**

Everybody get down, I m taking over

[Chorus 4]

**F#**

Got to pack my

**Bbm**

Things and go

**F#**

Move fast not slow

**Bbm**

The dog is mine

**F#**

Oh you got to pack your

**Bbm**

Things and go

**F#**

Move fast not slow

**Bbm**

That dog is mine
