

Sunset Sexy Babies
Ka Lia Yang

Capo 7th Fret.

Cords to the whole song: **G, Em, A4, D**

You are the sunset in my heart
Before I close my eyes
And when I wake up
Then you ll be
My sunrise

You are the reason
Why I m smilin
Everyday,
The only person who can make me feel this way
I promise you are the only person who can make me feel special even when
I fart and laugh while holding your hands
Talk about our future as if we already planned
to make sexy babies, oh oh baby
Tell me Why I feel like

You re the reason why I m smilin Everyday,
The only person who can make me feel this way
You re the only person, the only only person,
who can make my day cause

You are the sunset in my heart
Before I close my eyes
And when I wake up
Then you ll be
My sunrise

So don t ask me why I act the way I do
Baby it s just when you call me boo
I get these tangles from my head to my toes
Feeling all the shock like electricity rose

that s why I chose, you~ so stop feeling so insecure
When you re already secured in my heart
You are the sunset in my heart
Before I close my eyes
And when I wake up
Then you ll be
My sunrise
And you re the reason why
