

Do You Really Want To Hurt Me So  
Ka'au Crater Boys

**C**  
I`ve seen the fire burning through your eyes  
**C**  
I`ve seen the dark clouds overhead  
**C**  
I`ve seen you cut the deck and roll the dice  
**C** **C7**  
I`ve seen the strange shoes by your bed

Chorus

**F** **Am**  
All I know is that the storm is near,  
**F** **G7**  
all I know, I`ve got to make it clear  
**C**  
Do you really want to hurt me so  
**C**  
Do you really want to let me go  
**C**  
Do you really want to hurt me so  
**C**  
I know, I know, I know you don`t mean it

**C**  
I know your love for me has changed somehow  
**C**  
So walk the earth and find your soul  
**C**  
All that I ask of you is forever  
**C** **C7**  
Remember me as loving you
