

Everybodys Got A Story

Kacey Musgraves

CAPO 2

A

She had a couple different daddies
Could never make her mama happy

F#m

And her skinny little sister
Got all the attention

D

So she slept with half the town
And when the gossip got around

F#m

That she was fast

E

She blamed her past

D

We all got our issues
A lot of life we gotta live through

C#m

F#m

A dozen different reasons to fall apart

D

So don t start with all that poor me

E

Cause everybody s got a story

A

That ll break your heart

A

You blame the drinking on your childhood
You blame the school cause you don t talk good

F#m

Blame the drive-thru for the weight gain
Your hot temper on your last name

D

You blame your ex for your divorce

F#m

And the judge for the child support that you gotta pay

E

And you d blame God if you prayed

D

We all got our issues
All the shit we gotta get through

C#m

F#m

A dozen different reasons to fall apart

D

Don t you start with all that poor me

E

Cause everybody s got a story

A

That ll break your heart

F#m

I could stand and talk for days

C#m

Bout what the world has put me through

D

But when you point a finger

E

There s three more pointing back at you

D

We ve all got out issues

All the shit we gotta get through

A

F#m

A dozen different reasons I could fall apart

D

So I don t wanna hear that poor me

E

Cause everybody s got a story

D

And we ve got all got a cross to bear

C#m

F#m

And nobody s life is fair

D

So don t start with all that poor me

E

Cause everybody s got a story

A

That ll break your heart

D

E

Yeah everybody s got a story

A

That ll break your heart
