You get what you get, and you don t get to pick em
D Em
They might smoke like chimneys, but give you their kidneys
A G A
Yeah, friends come in handy, but family is family

D (2x)

D
They re there when you re married, divorced, and remarried
Em
You fall out of touch, but then someone gets buried
A D
And you re right back together like no time has ever gone by

D (2x)

D
Can t live with or without em; you might talk about em
Em
But if someone else does, well, then you ll knock em out cause
A D
When it s all said and done, they re the only ones that you got
