

Halfway To Memphis

Kacey Musgraves

Capo on third!

G **D**
I ve made up my mind and what I m gonna do
Cadd9
Take it or leave it boy, I m leavin you
G **D** **Cadd9**
You drove me outta my mind and I m halfway to Memphis

G **D**
Instead of wastin my time trying to make you feel good
Cadd9
I m gonna see what kinda life is up in front of my hood
G **D** **Cadd9**
You drove me outta my mind and I m halfway to Memphis

Em **Cadd9**
I m halfway gone but I m halfway saved
G **D**
A couple hundred miles from a brand new day
Em **Cadd9**
Halfway there is a damn good start
G **D**
From a worn out mind to a healed-up heart
Am **C** **D**
Thank God I m finally comin to my senses
Cadd9 **D** **G**
You drove me outta my mind and I m halfway to Memphis

G **D**
I can drive away far and I can run pretty fast
Cadd9
The plan for my future s puttin you in my past
G **D** **Cadd9**
You drove me outta my mind and I m halfway to Memphis
G **D**
So don t bother to call and don t bother to write
Cadd9
Cause freedom s just ahead in the beam of my lights
G **D** **Cadd9**
You drove me outta my mind and I m halfway to Memphis

Em **Cadd9**
I m halfway gone but I m halfway saved
G **D**

A couple hundred miles from a brand new day

Em **Cadd9**

Halfway there is a damn good start

G **D**

From a worn out mind to a healed-up heart

Am **C** **D**

Thank God I m finally comin to my senses
