

## High Time

Kacey Musgraves

Chorus:

**G Am**  
It s high time  
**C D**  
To slow my roll let the grass just grow  
**G**  
And lean way back  
**G Am**  
It s a fine time  
**C D**  
To let it all go I ve been too low  
**G**  
So it s high time  
  
**Am D**  
Been missing my roots  
**G**  
Getting rid of the flash  
**Am D**  
Nobody needs a thousand dollar suit  
**G**  
Just to take out the trash  
**C D G Em**  
Ain t gotta be alone to feel lonely  
**Am D**  
I m gonna turn off the phone, start catching up to the old me.

(Chorus)

**Bm Am**  
You ve been all wrong, just wanna feel alright  
**Bm D**  
Tomorrow it might come crashing down, but for tonight

(Chorus)
