                 E7
Looks like all is well, like you re having a hell of a good time.
Me? Not gonna lie.
[Hook 1]
Got the sunshine on my shoulders
Got a fistful of four leaf clovers
Yeah my cup runneth over
My sky is blue
Been kissed by Lady Luck,
The stars are all lined up,
Every arrow that I aim is true
But I miss you.

[Verse 2]
                                                           G7

You can have your cake and eat it too, I should have known
Cause what good is good anyway
And having it all is just a state of mind
                G7
And I, I got no reason to cry
[Hook 1]
Got the sunshine on my shoulders
```

Got a fistful of four leaf clovers

My sky is blue
Been kissed by Lady Luck,
The stars are all lined up,
Every arrow that I aim is true
