**C**

**C**

You get a little drunk, get a little loud

**Am**

Stupid me and my rebel mouth

**G**

Ain't all wrong but I ain't all right

**F**

Don't see no world in black or white

**C**

Grandma cried when I pierced my nose

**Am**

Never liked doing what I was told

**G**

Don't judge me and I won't judge you

**F**

Cause I ain't walking in your shoes

**F G C**

Cause I ain't one to knock religion

**F G C**

Though it's always knocking me

**F G Am**

Always running with the wrong crowd

**F G C**

Right where I wanna be

**F G C**

I'm not good at being careful

**F G C**

I just say what's on my mind

**F G Am**

Like my idea of heaven

**F G C**

Is to burn one with John Prine

**C**

Maybe he would sit a while

**Am**

And render me an illegal smile

**G**

And I bet that he would understand

**F**

Just how I feel and who I am

**F G C**

Cause I ain't one to knock religion

**F G C**

Though it's always knocking me

**F G Am**

Always running with the wrong crowd

**F G C**

Right where I wanna be

**F G C**

I'm not good at being careful

**F G C**

I just say what's on my mind

**F G Am**

Like my idea of heaven

**F G C**

Is to burn one with John Prine

**F**

I play my life like truth or dare

**C**

I'm not all here but I'm all there

**F**

And all the colors people paint me

**F**

Don't they know they'll never change me, yeah?

**F G C**

Cause I ain't one to knock religion

**F G C**

Though it's always knocking me

**F G Am**

Always running with the wrong crowd

**F G C**

Right where I wanna be

**F G C**

I'm not good at being careful

**F G C**

I just say what's on my mind

**F G Am**
