E	-----

Intro: G Em C D (2x)

Verse 1:

G Em  
They re blowing up our phones, asking where we are  
Am D  
Just say we re almost there; we ain t even in the car  
G Em  
You re rolling one for two and i m still picking out my shoes  
Am D  
I m never late to the party if i m late to the party with you

Verse 2:

G Em  
By the time we get there, everybody will be drunk  
Am D  
The chairs will be on tables and the band will be unplugged  
G Em  
We re gonna look real good, but we re gonna look real rude  
Am  
I m sorry i m not sorry that i m...

chorus:

D G Em  
Late to the party with you  
Am  
Oh, who needs confetti?  
D G Em  
We re already falling into the groove  
Am D G  
And who needs a crowd when you re happy at a party for two?  
Em  
The world can wait  
Am D G  
Cause i m never late to the party if i m late to the party with you

Verse 3:

G Em  
Let s promise when we get in that we ll try to get right out

Am D  
Fake a couple conversations, make the necessary rounds  
G Em  
These kinda things just turn into who s leaving here with who?  
Am  
But i just want em all to see me come in...

chorus:

D G Em  
Late to the party with you  
Am  
Oh, who needs confetti?  
D G Em  
We re already falling into the groove  
Am D G  
And who needs a crowd when you re happy at a party for two?  
Em  
The world can wait  
Am D G  
Cause i m never late to the party if i m late to the party with you  
92x)

Oh, i m never late to the party if i m late to the party with you
