C Am
You look out the window
Em F
While I look at you
C Am
Sayin I don t know
Em F
Would be like saying that the sky ain t blue
C Am
And boots weren t made for sitting by the door
Em F
Since you don t wanna stay anymore

C Am
You can have your space, cowboy
Em F
I ain t gonna fence you in
C Am
Go on ride away, in your Silverado
Em F
Guess I ll see you round again
C Am
I know my place, and it ain t with you
Em F
Sunsets fade, and love does too

C Am
Yeah, we had our day in the sun, when a horse wants to run,
Em F
There ain t no sense in closing the gate
C Am Em F
You can have your space, cowboy

C Am Em F
After the gold rush, there ain t no reason to stay
C Am Em F
Shoulda learned from the movies that good guys don t run away
C Am
But roads weren t made to not go down
Em F
There ain t room for both of us in this town

C Am
So you can have your space, cowboy
Em F
I ain t gonna fence you in
C Am
Go on ride away, in your Silverado

Em **F**
I ll see you around again
