

The Trailer Song
Kacey Musgraves

update 06/2014 - Kacey just released this one as a single on iTunes (<http://smarturl.it/72ak6t>) and I think it plays perfectly with this version, but let me know if you hear anything differently

(note: I originally tabbed from the live version at opry (<http://www.youtube.com/watch?v=4ugS08zylcA>) and this live acoustic performance (<http://www.youtube.com/watch?v=yqtb6GPLHc0>)

Capo on 2nd fret
